Terms

1. Logo plates dimension are included in this form (see Appendix A).
2. Standard background color of the plate is **Black**. Ideal color for the logo will be White.
3. Customer shall provide Pioneer POS (Supplier) with the design file in true size and high resolution in **AI** and **PDF** formats.
4. Customer agrees to pay the Setup fee in the amount of **\$400**. Setup fee includes logo plates for 100 terminals.
5. Once the design is approved by Customer and Supplier, Supplier will produce and hold the plates. Lead time to produce the custom plate is 6 weeks.
6. Supplier will print the custom logo provided by Customer. Customer acknowledges that the logo or its design is the property of Customer, or Customer has legally obtained license for its use. Customer agrees to defend Supplier, at Customer's own expenses, should there be any infringement claim on the logo from a third party.
7. Customer will be assigned a Custom SKU for the terminal. When Customer orders the Custom SKU, Supplier will build the terminal and insert custom logo plate.
8. Completed form and drawing/design of the logo are to be sent to:
PIONEER POS, INC.
238 Benton Ct. City of Industry, CA 91789
