

Thin, bright, and dynamic, the EVO LCD Display is a perfect solution for customer engagement at the point of sale. Featuring a vivid, full color display and multiple mounting options, the EVO LCD Display can be used with any point of sale application.

Vivid Display

The EVO LCD Display features a bright 8" display with a TruFlat zero bezel screen.

Dynamic Mounting Options

The EVO LCD Display can be mounted with its included pole, optional mounting bracket, or to any standard 75MM VESA mount.

Simple Installation

Utilizing an on-board graphics adapter, the EVO LCD Display can be connected to any Windows computer with the included USB cable. No HDMI or VGA port needed!

Wide Viewing Angles

Designed to be used from multiple viewing points, a 140° range provides an impressive display in any installation.
